ABOUT ISTE Telangana State Section

The **Indian Society for Technical Education (ISTE)** is a national, professional, non-profit making Society registered under the Societies Registration Act of 1860. The major objective of the ISTE is to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industries and other organizations.

ISTE Telangana Section has been formed from erstwhile united Andhra Pradesh Section, post bifurcation of the state. The aim of the section is to work in line with the national policy in providing value addition to students and faculty members of the technical institutions.

ABOUT FDP

- ❖ To provide a platform for interaction with experts of different knowledge domains.
- ❖ To update the faculty members about the outcome based education and its importance.
- ❖ To make familiar with the latest developments in the teaching learning process.
